

THOMPSON MANAGEMENT CONSULTING, LLC

ESBS 2019

Thursday, May 9, 2019

FOR IMMEDIATE RELEASE:

Thompson Management Consulting, LLC announces its 6th Annual Entrepreneurship and Small Business Summit (ESBS 2019), which is scheduled on Thursday, May 9, 2019 during the 56th observance of [National Small Business Week](#). ESBS 2019 will be held at The Busbee Center at Gwinnett Technical College (Building #700), 5150 Sugarloaf Parkway, Lawrenceville, GA 30043. The event is scheduled for 7:30 AM – 5:00 PM, with breakfast refreshments and networking beginning at 7:30AM, following with a Keynote Address by Mr. Rich Casanova of the Pro Business Channel. A full Caribbean buffet lunch is sponsored by LeGomier Caribbean Restaurant. Both breakfast and lunch are included in the registration cost. Our lunch keynote speaker will be Mr. Ashley Bell, Southeast Administrator (Region IV) of the Small Business Administration (SBA). Bios of both keynote speakers will be available when the event site launches. In addition, we will have an onsite health fair and a B2B Expo with 20 exhibitors promoting their businesses. Advance attendee registration is \$25, and exhibitor registration is \$175. This event has an active attendance of 100-150 business owners and professionals, and continues to grow.

We invite all small business owners, entrepreneurs, aspiring entrepreneurs, business professionals, thought leaders, decision-makers, policy makers, and members of academia to attend. Our theme this year is ***“Rediscover Your Competitive Advantage”***.

Activities scheduled for ESBS 2019 will include business workshops, panel discussions, a health fair with free screenings, onsite banking representatives, and possible business plan reviews. Attendees will enjoy meeting and engaging directly with fellow business owners, representatives from government agencies, and consultants. Topics for consideration include, but not limited to business planning, social media marketing, funding and access to credit, non-profit management, small business leadership, cash flow management, sales strategies, legal structuring, creating apps to increase revenue, managing an import/export operation, government contracts, FinTech financing, protecting your data files from hacking, and much more. The event website will launch on November 15, 2018, but a finalized agenda will be available once we have all our speakers and their workshop titles confirmed, accompanied with their bios. An announcement will be made when the agenda is finalized and ready to be published, but kindly continue to check for all updates. Businesses are encouraged to register to exhibit and promote their services. People do business with those they know, so get the visibility you need to grow. If no one knows you exist, how can they do business with you?

For all information, including the event agenda, speaker bios and profiles, attendee and exhibitor registration, and past event pictures, please go to www.b2bconference.net. Contact us at info@tmconsultingllc.com with questions and comments. Thank you for your support.
