## FOR IMMEDIATE RELEASE:

Thompson Management Consulting, LLC announces its 8<sup>th</sup> Annual Entrepreneurship and Small Business Summit (ESBS 2021), comprised of several webinars and panels throughout 2021. As we continue with challenges from the COVID-19 pandemic, our event will maintain its schedule on ZOOM's virtual platform. This year's event theme, keeping in mind the on-going struggles impacting our small businesses during the COVID-19 pandemic, is **"Envision, Plan, Persevere"**, which expands on last year's theme "Time to Rise: Small Business Resurgence In a Global Pandemic." In 2021, it is time to envision the future, plan for it, and persevere beyond COVID-19. Please continue checking the event website at [www.b2bconference.net](http://www.b2bconference.net) for dates and times of all virtual events planned in 2021, as well as related event updates.

The bios and headshots of our esteemed speakers will be posted on the event website. Attendees of each planned event can expect to receive critical and valuable information in an exchange with presenters on how to grow and develop various aspects of their small business enterprises during and after the COVID-19 Pandemic. To view the bios of all speakers for 2021, please visit the event website. Speaker information will be added as we finalize confirmations.

For this virtual ZOOM event, we invite all small business owners regardless of business model and industry, entrepreneurs, innovative economic disruptors, aspiring entrepreneurs, business professionals, thought leaders, decision-makers, policy makers, independent contractors, gig economy freelancers, sole proprietors, mom and pop businesses, micro enterprises, consultants, and members of academia (students, professors, administrators, etc.).

The cost to attend all 2021 virtual ZOOM events is **free**, but registration is mandatory at [www.b2bconference.net](http://www.b2bconference.net) or [CLICK HERE](#) to go directly to the registration page.
